

7th ANNUAL DoD
GOVERNMENT/INDUSTRY
SHELF-LIFE SYMPOSIUM
MAY 31 - JUNE 2, 2000

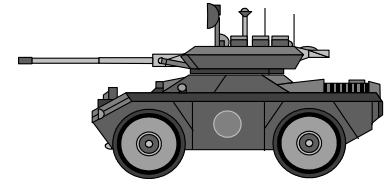

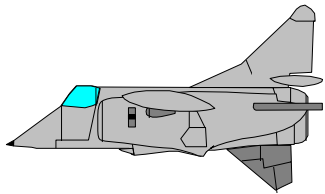

The New Millennium is now upon us and the shelf-life program continues to pursue initiatives to enhance the program to better support our customers. Although much has been accomplished in the past year, much more to be done to improve today's program. Come and join us to hear what is happening in the program.

This year's Symposium is being held in conjunction with the DLA Customer/Training Expo. This is a partnership that we feel will benefit all participants. The DLA Expo includes informative workshops. For more information on the DLA Expo sign on to www.supply.dla.mil/expo_2000.htm. Participants are encouraged to attend both the Expo and the Shelf-Life Symposium.
